Dear, Gabriela

I would like to personally thank you for your recent visit to our location at the Supreme Headquarters Allied Powers Europe. (SHAPE). Your participation in the review of SHAPE's new and expanding mass notification system 'Desktop Alert' was welcomed. As you now understand, this alerting platform has made an indelible communications impact within the NATO community and SHAPE.

As planned, we look forward to your return in August 2017!

Emergency preparedness planning is a high visibility function here at SHAPE and we encourage tomorrow's leaders to participate in making the world a safe place today. Keep up the good work Gabriela.

Regards,

Mr John W. Sterling
